Founder,
Hasan Korkmaz

Hasan Korkmaz is the CEO and founder of ARTI Limousine. Korkmaz has been in San Diego bringing positive energy for the last 10 years. He originally serviced the San Diego area as a taxi driver. He saw the need and opportunity for a premium transportation company, and with the purchase of his first Town Car he began to work for himself.

In 2006, with only three cars in his fleet, Korkmaz started ARTI Limousine. To stand out from competitors, he purchased newer and bigger vehicles including a limo bus, SUV's and stretch limousines. Before long, Korkmaz' fleet was in high demand in San Diego.

Korkmaz truly enjoys working with his Clients and achieving customer satisfaction. ARTI Limousine always goes the extra mile to exceed customer expectations and ensure Client safety. One of the ways Korkmaz strives to keep the streets safe is through his involvement with MADD an organization that works to prevent drunk driving.

When not taking care of Clients, Korkmaz enjoys watching movies, listening to music and traveling. Some of his interests include sports, computers, food and of course, all things San Diego.

In addition to working with MADD, Korkmaz enjoys volunteering in the community with local nonprofits. He is an active member of the San Diego Regional Chamber of Commerce, San Diego Sports Commission, Greater California Livery Association (GCLA), 6 Degrees San Diego, National Limousine Association (NLA), University Club, San Diego Blood Bank, and Temecula Valley Wine Growers Association (TVWA).
